

# MRS. LOUGH'S HOMEWORK POLICY

Kindergarten homework is a great way for your child to show what is being learned in school. The skills in the homework will reinforce what is being taught and practiced throughout the week in class. Homework is a requirement of kindergarten.

Homework will be sent home the last day of each week. Homework is due on the Thursday of the following week. The requirement is that your child spends a **maximum of 5 minutes each day** on their homework, until completed. **Even if your child does not finish the homework, please draw a line after the 5 minutes and initial.** Your initials will acknowledge that 5 minutes was spent daily on homework and the requirement will be fulfilled.

**Homework that is not turned in will be completed in 5 minute increments, throughout the week, during recess time.**
